Typical Walk Route

Typical Driving Plan

Traffic Signal Accommodations

- ☐ **Pedestrian Crossing Times**
- ☐ **Trail Crossing Signals**
- ☐ **Countdown Pedestrian Heads**
- ☐ **Turn Prohibitions**

Intelligent Transportation Systems

- ☐ **Bus Pre-emption**
- ☐ **Smart Bus Stops**
- ☐ **Automatic Pedestrian/Bike Detection**

The background of the slide is a collage of various US dollar bills, including one, two, five, and ten dollar notes, which are slightly faded and overlapping. At the top, there is a purple rectangular banner with a slight gradient and a drop shadow.

Neighborhood Traffic Calming

- ☐ **Make Neighborhoods More Livable**
- ☐ **Discourage Cut-Through Traffic**
- ☐ **Slow Vehicle Speeds**
- ☐ **Improve Safety**
